PARENTAL PERMISSIONS and MEDICAL CONSENT FORM FOR STUDENTS 16+ YEARS

NAME OF STUDENT: (Block Capitals)... ..

- Under UK law, all students under the age of 18 are classed as children, and there are certain laws and school rules concerning what your child can or cannot do in the UK. For example, children under the age of 18 must be home by 22.00 each night; if they leave their home after dark they must inform their host family where they are going; they must not enter a pub or club; they must not drink alcohol, smoke cigarettes or take illegal drugs.
- We will work hard to ensure that your child is happy and improves their English during their stay with us, and we ask you to read the following information carefully and to sign the two forms in the appropriate sections.

Can you please answer the following questions:

1. Can your child go out unsupervised until 22.00 pm at night? Yes No
2. If you wish your child to be home **before** 22.00 pm, please indicate the time below.

Time to be home (weekdays):
Time to be home (weekends):

3. Can your child visit a named friend/relative and stay overnight? Yes No

Name of friend/relative Tel.
Address

If your child visits a friend/relative they must have the college's permission and they must inform the college and host family of their travel plans and who they are going to visit. The friend/relative must collect your child and return them to the homestay.

Please note:

- Your child will study in classes with students aged 18 and over
- Your child will travel between the school and the host family unsupervised.
- Your child will not be supervised during their free time, e.g. between the end of their lessons at the school and returning to their homestay
- Your child must attend all classes. The school has a strict attendance policy. Students can be absent only if they are unwell. In such cases, the student or their host family must telephone the college as soon as possible on the day of the illness.

- The college's social programme is not compulsory, nor is it specifically designed for this age group. Certain activities are not suitable for students under 18. All college social activities are supervised by college staff who can assist the students attending the activity. We strongly advise all students to return to their host family with a friend, or preferably by taxi, particularly in the evening when it is dark.
- The college takes bookings for full-day trips on Saturdays. These are organised by an external company. 16+ students are able to go on selected **Saturday** excursions and will be accompanied by a supervisor arranged by the college. Students must stay with the supervisor throughout the trip. Written parental permission is required before bookings can be made for these trips.

My child can go on selected Saturday full-day excursions: YES NO

- You should ensure that your child has sufficient money to pay for lunches at the college, and for transportation in London. For guidance, £5 per day should be sufficient for lunch and drinks and a typical taxi fare is currently £6 per journey, approximately. Please see (Under services/student budget) <http://www.gcollege.org.uk/student-budget/>
- All students 16+ **MUST** have a return airport taxi transfer, unless they are travelling with a named relative.
- The college reserves the right to terminate the course of any student who seriously or persistently misconducts himself/herself during his/her stay.
